# 19th Sept: Renewal of our pledge

وَمَنْ يُّطِعِ اللّٰهَ وَرَسُوْلَهٗ فَقَدْ فَازَ فَوْزًا عَظِيْمًا

"And whoever obeys Allah and His Messenger has certainly attained a great attainment".

As usual there has been a trend of holding dharnas on every 19th sept since 2009. As a result, the ummah has incurred losses in crores without achieving anything, neither is there any hope for these are the methods of un-islamic ideologies. Islam preaches retribution of an equal measure i.e. reprisal in blood for bloodshed or Qisas.

Recall the incidence of Hudaybiah, when rumors of the killing of Hadhrat Usman (r.a.) reached RasoolAllah (s.a.w), he immediately called upon all the sahaba (r.a.a.) to offer bay'ah (pledge) to fight the transgressors unto death, and enthusiastically, all of the sahaba complied except for a munafiq (Jid bin Qais). Infact a sahabi Salamah bin Aqwa (r.a.) offered bay'ah three times i.e. in the beginning, middle and at the end. In response to this incidence, ALLAH(s.w.t) has revelaed in the quran.

لَقَدْ رَضِيَ اللّٰهُ عَنِ الْمُؤْمِنِيْنَ اِذْ يُبَايِعُوْنَكَ تَحْتَ الشَّجَرَةِ (الفتح،١٨)

"Certainly was Allah pleased with the believers when they pledged allegiance to you, [O Muhammad], under the tree"

Recall the incidence of Banu Qaynuqa tribe, when one of the jew outraged the modesty of a muslim woman, upon which a muslim killed the jew and the jews killed that muslim in return. RasoolAllah (s.a.w) in retribution, beseiged the jewish tribe and took them prisoners. They got a repreive of a lesser punishment of being expelled from their land; lock, stock and barrel upon intervention from the leader of hypocrites (munafiqeen) i.e. Abdullah ibn Ubay. Had he not pleaded their case so intensely, hopefully they too would have met the fate of Banu Qurayzah, all of whose adult male's heads were chopped off.

Hazrat Muawiya (r.a.), Hajjaj bin Yusuf and Motassim sacrificed their treasures for avenging a single muslim life to maintain military superiority of the Muslims and keep the oppressors terrified.

**The principle of Islam is 'Quran is our torch and victory is through the sword'**

Today we have strayed from the sirat-ul-mustaqeem and become followers of the jews and christians and hence shame, deprivation and annihilation has become our destiny. Hazrat Adbul Rehman bin Zaid bin Aslam narrates from his father that RasoolALLAH (s.a.w) said: "Till the time it will rain from the sky, Jihad will remain alive (means till qiyamah). There will also be a time when the learned will tell that this is not the appropriate time for Jihad. If you find these times then understand that this will be the best time for Jihad. Sahaba asked O RasoolALLAH (s.a.w.) is it possible that a person (muslim) will say such a thing? RasoolALLAH (s.a.w.) replied, Yes, (the learned will say so), and on them will be the curse of ALLAH (s.w.t), the angels and the whole of humankind."

O my dear brothers, please do not follow such ulema who incur the curse of ALLAH, His angels and the whole of humankind. Democracy is unislamic, and Islam can never prevail or be established by a unislamic system. Had this been the case, RasoolALLAH (s.a.w) would have accepted the offer of ruling Arabia put forth by the mushrikeen. But in fact, he rejected their offer. Same has been the practice of the sahaba, tabaieen and tabe-tabaieen. Our Salaf-e-Sualiheen (the pious ancestors) treaded the same path and the exemplary roles of Sheikh Abdullah Azzam, Sheikh Usama bin Laden, Sheikh Abu Musab Zarqawi, Sheikh Atiyatullah, Imam Anwar Al Awlakki (who is also remembered as the modern day ibn Taymiyah) are very well in front of our eyes. (May ALLAH accept them).

RasoolALLAH (s.a.w) said: "I am a prophet of intense wars, and have been sent forth with the sword. My rizq (sustenance) is under the spear, and Jannah (Paradise) is under the shade of swords. And whoever do not do Jihad nor does one takes care of the family of the mujahid and neither does he ever intend to do Jihad then ALLAH will put him in some sudden trial any time before his death."

RasoolALLAH (s.a.w) said: "Whosoever dies in a state that he never performed Jihad and neither did he intended to do Jihad that he has died in a state of hypocrisy".

RasoolALLAH (s.a.w) said: "When you will do business in Aaina (one of the types of interest), and will hold the tail of the cow and be contended with tilth and farming then ALLAH(s.w.t) will pile ignominy upon you and it will not be raised from you until you return to the path of Deen (ie. Jihad)."

Brothers, these so-called ulema take you for a ride in the name of Islam, wasting the resources of the ummah in protests and conferences with an eye only upon creating their personal vote-banks. Some of the ulema take advantage of the oppressed, such as the Batla house encounter issue, to gain both monetarily as well as politically. As a matter of fact, they have nothing to do with the oppressed youth and their families and neither do they serve them in any manner.

O my dear brothers, the panacea to all the ill is Jihad in the path of ALLAH. Khilafat has been established, strengthen it by doing hijrah and Jihad, and strive to raise high the banner of deen and seek retribution for the loot, plunder, banishment, terror and torture being inflicted upon the ummah. It is worthy to live fearlessly like a lion for a day, rather than live a life of cowardice for hundred years. A Momin is never a coward and always cherishes a respectful life and the death of a shaheed, a life spent in the servitude of none other than ALLAH (s.w.t).

RasoolALLAH (s.a.w) said,"I have a desire, that I be martyred in the path of ALLAH and raised again, then martyred in the path of ALLAH and raised again, and martyred again".

What holds us back from this lofty path of Jihad and shahadat and merely be a spectator to the pogrom and killing of fellow Muslims, whereas ALLAH (s.w.t) has commanded us to avenge and gain retribution for our Martyrs (Shuhadaa).

أَيُّهَا الَّذِينَ آمَنُوا كُتِبَ عَلَيْكُمُ الْقِصَاصُ فِي الْقَتْلَى (البقره آيت178)

"O you who have believed, prescribed for you is legal retribution for those murdered"

At the time of the treaty of Hudaybiah, when RasoolALLAH (s.a.w) set forth with the intention of performing umrah, and he was stopped by the meccans from entering and performing it, he did not resort to fighting at this instigation, and instead sent Hadrath Usman (r.a.) as his envoy for negotiation. But when rumour of the murder of Usman (r.a.) reached him, he immediately asked for pledge of fight unto death from the 1400+ sahaba to avenge his killing. This sent a chill down the spine of the meccans and thus they released him. (Seerat ur Rasool and seerat ibn Hisham)

There is no doubt that this pledge to die until the scores were settled was taken in response to the news of Hazrat Usman's(r.a.) killing. ALLAH (s.w.t) revealed His approval of this bayah in the Holy Quran.

(الفتح،١٨) الشَّجَرَةِ تَحْتَ يُبَايِعُونَكَ إِذْ الْمُؤْمِنِينَ عَنِ اللَّهُ رَضِيَ لَقَدْ

"Indeed, ALLAH is pleased with momineen, when they were giving their bayah under the tree to you (0, Muhammad)."

**Hereupon, we the mujahideen of Ansar ut Tawhid Fi Bilad Al Hind renew our pledge to avenge the martyrdom of the Batla house encounter and all other oppressed Muslims including our imprisoned brothers unless and until we establish Shariah law in India under the global Khilafah wiping out all the man-made boundaries. On this occasion we would also like to remind the Indian government about the 'glad tidings' from Khalifa tul Muslimeen, Ibraheem bin Awwad bin Ibrahim AlMaroof AbuBakr AlBaghdadi (may Allah protect him),"we will surely settle the scores of each and every atrocity upon Muslims all over the world within a short span of time, inshaALLAH.**

Thus O Muslims of India rush to strengthen the Khilafah and your Khalif. Alas! What is it that is preventing you from reaching out to the khilafah? Infect your own forefathers had boldly defended the Ottoman khilafat with their precious lives.

Brothers! Our dignity is in Islam alone. And if we really yearn for true happiness then we have to really turn towards Quran and Sunnah. It is simply impossible to attain this dignified life unless and until we follow the way of Prophet (pbuh) and the noble companions and that way is of Jihad fisabilillah alone.

O Allah! Include us amongst the helpers and supporters of the Khilafah. And may we fulfill our oaths. O Allah! Protect the Muslims in India. Liberate them from the shackles of the filthy Brahmins. Save the oppressed Muslims throughout the world. Free our jailed brethren. Help the Mujahideen all around the globe. Strengthen and preserve the Khilafah. And make the Muslims throughout the world to rally behind the blessed Khilafah... Ameen
